The Latino Legal Voice for Civil Rights in America.

Scholarship Resource Guide

2014-2015

This is an informative resource guide for students, parents, and educators.

MALDEF is not a direct provider of the scholarships on this list, with the exception of the MALDEF Law School Scholarship Program. If you are interested in any of the other scholarships listed here, please contact the organization directly using the information provided. Thank you.

Esta lista es una fuente informativa para estudiantes, padres, maestros y consejeros.

MALDEF no es un proveedor directo de las becas en esta lista; con excepción del Programa de Becas de MALDEF para la Escuela de Leyes. Si usted está interesado en alguna de las otras becas que están nombradas, por favor comuníquese directamente con la organización usando la información que proveímos. Gracias.

This is an extensive list of scholarships that may not inquire about immigration status or require a valid social security number to redeem the award. It is suggested that you look through the scholarship list and select scholarships that are applicable to you. As a general rule, if an application asks for your social security number and you do not have one yet, leave that space blank but fill out and turn in the complete application. Lying about your legal status or providing a false social security number is a federal offense.

- *You should directly contact the organization that offers those specific scholarships and ask if you meet the criteria to receive the scholarship.*

We suggest that you review other scholarship lists for other possible scholarship opportunities, as listed at the end of this document. Also, inquire with your guidance counselor at school to learn about scholarship opportunities in your local area. Current college students are familiar with scholarships and can serve as a valuable resource.

DO NOT pay any organization, company, or individual to apply for scholarships, for scholarship search assistance, or for access to scholarship lists. Legitimate scholarship programs NEVER ask for an application fee. Beware of scholarship scams.

Esta es una lista extensiva de becas que tal vez no pregunten sobre su status migratorio o requieran un número de seguro social valido para redimir la beca. Les sugerimos que busque entre la lista y seleccione las becas que son aplicables a usted. En general, si llenas una aplicación que pide tu número de seguro social y aún no tienes uno, entonces deja ese espacio en blanco, pero llena la aplicación y entrégala. Mentir sobre tu estatus migratorio o proveer un seguro falso es un crimen federal.

- *Usted debe de contactar la organización que está ofreciendo esas becas y pregunte si usted califica para recibir esa beca.*

Sugerimos que revise otros directorios de becas para informarse sobre otras becas disponibles, tales como las que están al fin de este documento. También, consulte con su consejero en la escuela para aprender sobre oportunidades de becas en su área local. Los estudiantes universitarios actuales están familiarizados con las becas y pueden servir como un recurso valioso.

NO pague a ninguna organización, compañía, o persona para aplicar a becas o para recibir listas de becas. Las becas legítimas NUNCA cobran una tarifa. Tenga cuidado con estafas de becas.

As a result of Assembly Bill 130 being a new law, California public colleges and universities will be introducing their own Dream Act Scholarships on a rolling basis. To find out if your college or university has scholarship opportunities available to undocumented students, inquire within your campus' scholarship and/or financial aid office. AB 130 scholarships will be privately funded, so program availability may be limited and highly competitive.

Be sure to continue to advocate for these scholarships resources at your college or university. Let campus administrators know that the undocumented students on campus have a dire need for financial support.
