Questions for Student Survey

Hi! We are conducting a little survey about local organic food consumption in our college for our ESem class –Changing our Story. Your answers will not only help us, but also help Bryn Mawr community to promote healthier and safer food consumption.

1. How much did you enjoy your meal? (From 1 to 10)
2. How much local organic food do you think is served in the dining hall currently? (1 to 10) Can you give us some examples of organic food that are served in the dining hall?
3. How much do you think there should be more local organic food? (From 1 to 10)
4. Are you willing to pay more if the dining hall provides more local organic food? (1 to 10)
5. How much would you prefer to have less events and less options for food, but have higher quality and more organic food instead? (1 to 10)
6. If you want to comment on the dining hall service, please write down here.
